

Options for 4th quarter book project.

1. Sound track

- Give a basic summary of the book at the beginning of your presentation 1-2 minutes.
- Create a 2-3 minute soundtrack made up of at least five songs.
- Arrange the clips in order of the mood and tone of the book.
 - You can pause any track you choose to explain your song choice and the emotions it portrays or you can explain overall at the beginning or end of your presentation.

2. Collage

- Using pictures from magazines, the internet, etc., summarize the novel.
- These images should be randomly pasted together on a poster board.
- In your 3-5 minute presentation, explain why the images in the collage are important to the book.
